TEA SELECTION

Choose from our selection of Brew Tea Co. loose leaf teas

ENGLISH BREAKFAST

The tasty richness of Indian Assam coupled with the refreshment of a Ceylon is the perfect blend to wake up to.

EARL GREY

There aren't many things more refreshing than a cup of Earl Grey. Brew Tea never use flavour granules on their leaves, so our brews taste less like hot perfume, and more like tea.

YUNNAN GREEN

Yunnan Green is all about the balance - loads of flavour and minimal bitterness. It's a seasonal thing so we taste a lot, but it's always a Yunnan as we love the hoppy, summer greens.

MOROCCAN MINT

The best things are often the simplest – a blend of strong gunpowder green tea with a super minty peppermint. Absolutely smashing when you need something lively and refreshing.

CHAI

A classic Chai is spicy and sweet. This awesome blend of Assam tea and masala mix.

LEMON & GINGER

No granules, just an excellent mix of spice and citrus.

APPLE & BLACKBERRY

This blend reminds us of autumn country walks – think berry stained hands and a great crumble. We've packed in chunky apple pieces with loads of jammy fruit for a cup that's sweet, tart and warming.

Decaffeinated tea and selection of coffees are available on request.
