TEA SELECTION

Choose from our selection of Brew Tea Co. loose leaf teas

ENGLISH BREAKFAST

The tasty richness of Indian Assam coupled with the refreshment of a Ceylon is the perfect blend to wake up to.

EARL GREY

There aren't many things more refreshing than a cup of Earl Grey. Brew Tea never use flavour granules on their leaves, so our brews taste less like hot perfume, and more like tea.

ASSAM

We have a soft spot for Assam. It's punchy, rich, nutty and malty – a thumping taste combination. This is the perfect tea if you like a strong cup, and it's great with a splash of milk.

MOROCCAN MINT

The best things are often the simplest – a blend of strong gunpowder green tea with a super minty peppermint. Absolutely smashing when you need something lively and refreshing.

CHAI

A classic Chai is spicy, sweet and milky. This awesome blend of Assam tea and masala mix.

LEMON & GINGER

No granules, just an excellent mix of spice and citrus.

APPLE & BLACKBERRY

This blend reminds us of autumn country walks – think berry stained hands and a great crumble. We've packed in chunky apple pieces with loads of jammy fruit for a cup that's sweet, tart and warming.

Decaffeinated tea and selection of coffees are available on request.
