THE LEWIS
PARTNERSHIP

WELCOME

It is our pleasure to welcome you to The Moat House.

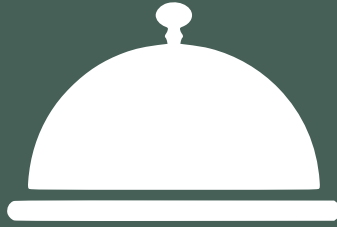

Located in the Staffordshire village of Acton Trussell, The Moat House has been owned by our family since 1955. At that time, our family were farmers by trade and the house was the base of our farm from the 1950s until 1988 when the decision was made to convert the farmhouse into a village pub and restaurant.

In the three decades that followed that decision we've extended the original farmhouse, which now houses our Lounge Bar and Colin Lewis Suite, to include our Orangery Restaurant, wedding and events facilities and 41 bedrooms.

We do hope you enjoy your stay with us and if there is anything you need during your time with us, please do not hesitate to speak to a member of the team.
