A LA CARTE CHEESE SELECTION

CHEESE 9.50

DOVEDALE BLUE

A soft creamy blue cheese with a mild flavour, made from full fat cows' milk. Brine dipped rather than dry salted giving a distinctive continental appearance and flavour. Produced by the Staffordshire cheese company in Cheddleton, Staffordshire.

BARON BIGOD

A Suffolk made brie, made with unpasteurised cow's milk. Delicate milky flavours combined with earthy mushroom notes. The curds are carefully ladled into round moulds and aged for 8 weeks in a humid cave like environment to allow the flavours to develop.

MONTGOMERY'S CHEDDAR

A West Country traditional farmhouse cheddar. Made using unpasteurised cow's milk. Complex heritage starter cultures and calf's' rennet give layers of flavour while the cheese is bound in muslin cloth and matured for 12 months.

GODDESS

A semi soft washed rind cheese from rock star turned cheese buff Alex James. Made using rich, creamy pasteurised Guernsey milk. The cheese is washed in Somerset cider brandy to add another dimension of flavour.

ASHLYNN

A soft-ripened goats cheese made using creamy Canadian goats' milk, with a bloomy rind and a snowy white interior that has been dipped in vegetable ash. With a subtle citrus tang and herbaceous overtones. Winner of best new cheese and best soft cheese at the British cheese awards.

THOMAS HOE RED LEICESTER

Made at the Leicestershire based long Clawson dairy, with traditional methods used by the company's founder Thomas Hoe Stevenson more than a century ago. The cheese is buttered, cloth-bound and matured for 6 months to produce a flaky texture and caramelised flavour.
